## About

Capable artist and designer with an extensive skill set. Always looking for more experience and willing to learn anything. Hard working individual up for any task no matter how difficult.

## Education

- Currently attending Rochester Institute of Technology aiming for a B.S. degree in New Media Design with a minor in Ecology and Evolution.
- A.S. Degree in New Media from Tompkins Cortland Community College.
- Attended the New York State Summer School of the Arts in 2013 and 2014.

## Experience

- Flow and Logistics at Target, July 2017 to December 2018: Handled incoming products including unloading trucks, stocking shelves, setting new displays, and back stocking. Heavy emphasis on teamwork, speed, and accuracy. Helped to deliver important outcomes that allowed the team to accomplish difficult tasks in a transitional time for the store.
- Teaching Assistant at Tompkins Cortland Community College, Spring 2017: Helped with new media and sociology classes for underclassmen at the request of the professors. Aided students with assignments and projects whenever possible. Offered extensive insight and constructive criticism to student's work.

## Skills

- Familiar with Adobe Photoshop, Illustrator, Flash, Premier, After Effects and Muse as well as most Microsoft programs.
- Knowledgeable with many forms of new technology such as 3D printers, laser cutters, digital cameras, and any programs they require.
- Comfortable with both Mac and PC.
- Extensive practice with a great variety of artistic mediums including painting, photography, and drawing.
- Knowledgeable in biological and genetic lab techniques.
- Outstanding planning and management skills.
- Exceptional with organizing, archiving, and story boarding.
- Keen sense of design, color, placement, and overall aesthetics.

## Accolades

- Graduate of note from Tompkins Cortland Community College.
- Featured in Who's Who Among Students in American Universities & Colleges.
- Current member of Phi Theta Kappa honor society and the National Society of Leadership and Success.
- Had work featured in the History Center in Tompkins County bicentennial exhibition Altered and Preserved Landscapes.
- Silver medalist in the Scholastic Art and Writing Awards.
- Received the Creativity and Ingenuity scholarship from Rochester Institute of Technology.

## Strengths

Team oriented, artistically minded, highly motivated, willing to learn.
